

Unexpected Death of Director John G. Curd, M.D., on April 20, 2011

STATegics' team is saddened by the unexpected death of Dr. John G. Curd, M.D., who passed away on April 20th, 2011. "As a member of STATegics' Board of Directors John played an invaluable role in supporting the company from its inception and we will miss him dearly," said Juha Punnonen and Jeff Spencer, Co-founders of STATegics. Our thoughts are with John's family and the entire biotech community, who benefited from John's exceptional energy and passion for drug development.
