

## **STATegics' Program in Parkinson's Disease Highlighted By The Michael J. Fox Foundation Partnering Program**

STATegics, Inc. today announced that its program in Parkinson's disease (PD), funded in part by The Michael J. Fox Foundation for Parkinson's Research (MJFF), is being highlighted by the MJFF Partnering Program. STATegics' program is focused on advancing the company's small molecules targeting the tissue-protective erythropoietin (EPO) receptor for the treatment of PD. Further information regarding the MJFF Partnering Program can be found at <https://www.michaeljfox.org/research/opportunities-for-industry/partnering-program.html>.
